**Circular 905**

To all Agent Chambers/Members

**Iraq Poultry Products Ban Notification**

We have been advised by the Iraqi Commercial Attaché that as of 23/06/2020 the Government of Iraq are banning the import into Iraq of all poultry and poultry products from Carolina States (USA) and the Philippines.

This means a complete ban of all poultry and poultry products including all kinds of live and frozen products and eggs including table eggs and hatching eggs, as well birds, prey birds and birds feathers.

Thank you for your cooperation.
